## Welcome to our first Bulletin!

Many of you will know us as Alan Roberts & Company Limited but we have recently launched a new marketing programme which includes a complete re-branding of the Firm. So here we are 'ar....more than accountants'. In addition to the branding exercise we have made some changes internally so that we are more 'customer focused' and you will start to notice the smart new look signage, logo and stationery.

## Have you seen our new website?

Well, it can be found at [www.ar-accountants.co.uk](http://www.ar-accountants.co.uk) and it's packed with information which will be readily available to all of our existing clients and to those prospective businesses who are interested in taking advantage of our services.

## What you will find on our website

The Latest News section highlights current points of interest that will affect many people and this is being up-dated at least weekly so that you benefit freely from up to date sound advice. To access the area just [click here](#) and you can benefit by subscribing to the RSS feed so our information is relayed straight to your inbox – it's free as we want to encourage you to use this information for your own advantage.

Our Download Area gives you free access to helpful 'in-depth' articles on key areas for many people affected by tax and accounting matters. These will tend to be advice on, and an interpretation of the particular rules with the aim of offering a solution to dealing with those 'thorny issues'. [Click here to go directly to our download page.](#)

## Would you like to talk more?

The benefits are all here, so we invite you to find out more by contacting us at [info@ar-accountants.co.uk](mailto:info@ar-accountants.co.uk) or by registering for our update service by using the 'subscribe' area on the home page. Finally, if there are any areas which we have not covered but you feel you could benefit from, we would be pleased to hear from you.
